 - (c) ☐ A reply was received on _____ but it does not constitute a proper reply, or a bona fide attempt at a proper reply, to the non-final rejection. See 37 CFR 1.85(a) and 1.111. (See explanation in box 7 below).
 - (d) ☐ No reply has been received.

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: An amendment with a certificate of mailing dated 03 January 2003 was filed in the fourth month of the period for reply set in the Office action mailed 05 September 2002. The amendment did not include a request for an extension of time nor an authorization to charge a deposit account for an extension of time. Applicant filed a one month extension of time after the expiration of the fourth month, however a one month extension of time, alone, made after the expiration of the fourth month was not sufficient at the time of filing of such one month extension. The six month statutory limit for reply to the office action has expired and the case is abandoned as an operation of law. .
